

COMMENT AND FEEDBACK FORM

ENVIRONMENTAL & SOCIAL IMPACT ASSESSMENT (ESIA) For the TILENGA Project

The National Environment Management Authority (NEMA) has received the Environmental and Social Impact Assessment (ESIA) report for the proposed Tilenga Project by the joint developers Total (E&P) Uganda B.V and Tullow Uganda Operations PTY Ltd. In accordance with Section 20(5) of the National Environment Act, Cap 153; and Regulations 19 & 20 of the National Environment (Environmental Impact Assessment) Regulations S.I 153-1; the general public and persons specifically affected by the Tilenga project are invited to study the ESIA Report and make comments to the same.

The invitation to the general public seeks to offer different stakeholders the opportunity to voice out their opinions and comments on the environmental and social implications of the Proposed Tilenga project so that the development of the discovered Oil & Gas resources can be done in a manner that ensures sustainable development for the present and future generations.

Your views are important to the National Environment Management Authority (NEMA). You are therefore requested to take a moment to fill in this form after studying the Tilenga Project ESIA Report. Individual or collective comments from stakeholders can be submitted to the Executive Director, National Environment Management Authority (NEMA) using the address at the end of this form.

The deadline for receiving feedback is **9th November 2018**.
